H. Clark, Chauncy, Ga., says De-

of piles that had afflicted him for

twenty years. It is also a speedy

cure for skin diseases. Beware of

"Tex" Edmundson, F. J. Watron's

efficient clerk, has been quite sick

the past week, but is at his post of

duty again.

Passengers over the Ft. Apache

stage line have made many flatter-

ing remarks in regard to the excel-

lent service of the line.

Henry Essinger, representing the

firm of Essinger & Judell, of Las

Vegas, was here Wednesday. He

also took in the towns along the St.

Johns road.

Wetzler Bros. have just received

another carload of the famous "Roy-

al Flush" flour. This flour is the

best, and if you want pure, whole-

some bread, try a sack.

A. C. Merrill, of Show Low, while

in town Thursday, told an ARGUS

representative that he had freighted

in the western country over forty

years. An old timer, sure.

A crew of painters have been at

work on the interior of the depot

this week. The walls have been

kalsomined and the woodwork paint-

ed. A very good improvement.

S. D. Woolsey, industrial teacher

at the Whiteriver Indian school,

passed through here Wednesday on

his way to Arkansas, where he went

on account of the sickness of his

mother.

Dr. Mary McKee, who has been

the resident physician at the Indian

school at Keams Canyon, also post-

mistress for the past ten years has

been transferred to the agency at

Coleville, Washington.

Burton Mossman, manager for the

Aztec company, was in town Sun-

day. Besides his other duties he is

stock and hide inspector for this

matter. Anyone desiring to take up

the work can get terms and instruc-

tions by writing this office.

Pneumonia is one of the most dan-

gerous and fatal diseases. It always

results from a cold. Chamberlain's

Cough Remedy will quickly cure a

cold and perhaps prevent an attack

of pneumonia. It is in fact made

especially for that ailment and has

become famous for its cures over a

large part of the civilized world. It

counteracts any tendency of a

cold toward pneumonia. Can you

afford to neglect your cold when so

reliable a remedy can be had for a

trifle? For sale by F. J. Watron,

Druggist.

J. R. Hulet made a trip to Snow-

flake this week.

Sheriff F. J. Watron had business

at Winslow Thursday.

Five inches of snow is reported to

have fallen at Pinetop Tuesday.

Mrs. H. A. Pease and children ar-

rived from Albuquerque yesterday

morning.

A. C. Merrill and A. J. Merrill, of

Show Low, were visitors in town

this week.

J. Y. Lee and Bert Hatch, of

Woodruff, were down to the capital

this week.

Two carloads of grain were hauled

to Apache this week for use of the

U. S. troops.

Mr. Edie of the firm of Barrup

& Edie, Albuquerque, was in town

Wednesday.

Santas Ortega and Frederick San-

doval brought in their wool from

Concho Thursday.

Thos. Sutton, of Los Angeles was

here Wednesday in the interests of

the Bishop Candy Co.

Col. Clark, representing Silver-

man Bros. of Chicago, was interview-

ing our merchants this week.

The residence of Mrs. Max Schus-

ter at Albuquerque was broken into

by burglars last Friday night.

Deputy Sheriff Joe Bargeman re-

turned recently from a prospecting

trip in a section north of Tuba City.

Henry Huning, the Show Low

sheepman, was down on business

this week, and attended to the

shipping of his wool.

While at Albuquerque recently

we met Bernard Schuster. He was

just returning from a trip to the

east, and expects to go into business

in El Paso in the near future.

H. B. P. Holliday, Ed. Crowe and

Walter Paul, government employes,

returned Tuesday from Ft. Apache,

where they have been examining

government surveys. J. B. Blevens

drove them.

Edward Rosenwald and family, of

Albuquerque, stopped over here

Tuesday on their way home from

California. They were guests at

Fred Wetzler's, who is a brother-in-

law to Mr. Rosenwald.

W. H. Amos started for Holbrook

the other day on a bicycle, thinking

he could make better time, but we

understand that he was very glad to

have an opportunity to make most

of the trip in a wagon.

H. F. Solomon, who has been

clerking for Wetzler Bros. for some

time, returned to Solomonville Tues-

day. Mr. Solomon has some valu-

able mining claims down that way

which he has a chance to dispose of.

The St. Joseph ball team were to

have come over Sunday for a game

with the boys here, but failed to

make an appearance. Lee Savage,

who seems to be authority, says the

boys here are to meet anything in

the county.

You will notice a change in the

make up of the ARGUS this week,

which, in our opinion, is a decided

improvement, and gives us much

more room for home news which

seems to be the matter the readers

look for in a local paper.

A couple of ladies, Mrs. Clark

and Mrs. Campbell, were here this

week, taking orders for enlarging

pictures. They are from the east,

and are taking in the sights as they

go along, having visited the petri-

fied forest Wednesday.

We are very desirous of securing

a live correspondent from every

postoffice in the county, and will

gladly devote one entire page to this

matter. Anyone desiring to take up

the work can get terms and instruc-

tions by writing this office.

John T. Jones, of Dodge City,

Kan., who, with his family, were

old time residents of Holbrook, is in

this vicinity buying cattle and sheep.

He represents the Siegel Sanders

Co., of Kansas City, probably the

largest commission house in the

west.
